

Nechako **Waste Reduction** Initiative

## **Green Toolkit – Agreement and Terms of Use**

The Nechako Waste Reduction Initiative (NWRI) has organized this Green Toolkit to assist residents of Vanderhoof and the surrounding area to minimize waste when hosting an event. Thank you for your interest and commitment to sustainable living.

**The rental cost of the toolkit is based on the number of pieces you rent and ranges between \$20-\$60.** This money is used to supplement the honorarium paid to the individuals who sanitize the dishes after each use.

The toolkit contains:

- 200 dinner plates (replacement cost \$4/plate)
- 200 dessert plates (replacement cost \$3/plate)
- 200 plastic glasses (replacement cost \$3/glass)
- 200 coffee mugs (replacement cost \$5/mug)
- 200 bowls (replacement cost \$4/bowl)
- 200 forks (replacement cost \$0.50/fork)
- 200 butter knives (replacement cost \$0.50/knife)
- 200 soup spoons (replacement cost \$0.50/soup spoon)
- 200 teaspoons (replacement cost \$0.50/teaspoon)

**In using the toolkit, you agree to the following terms and conditions:**

- 1. All items are accounted for upon return.**
- 2. All items have been washed and are clean.**
- 3. If items are missing or damaged, they will be replaced at the cost per item listed in this document.**

The Green Toolkit is made possible by funding from the Regional District of Bulkley Nechako, the District of Vanderhoof, Integris Credit Union and the Nechako Healthy Community Alliance.
